Re: Notice of Approval of Filer-Side Software update

Dear Adjutant Workshop:

Please be advised that as of this date the Kentucky Registry of Election Finance approved your software revision, "Campaign ToolBox 2.6.0", for use by candidates filing campaign finance reports in Kentucky. Approval was granted following tests of "Campaign ToolBox 2.6.0" and a compliance determination made pursuant to 32 KAR 2:220 and KRS 121.120(6)(b).

This approval is limited to Campaign ToolBox 2.6.0. Any subsequent versions must be submitted to the Registry for review and additional approval.

Each new client of yours using this software must contact the Registry so that we may issue the necessary user ID and password to that candidate/campaign. The campaign finance reports cannot be submitted electronically to the Registry without this information.

If you have any questions please feel free to contact me at 502-573-2226.

Sincerely,

A handwritten signature in blue ink, appearing to read "John R. Steffen".
